Event Spotlight - Shout Outs

May 2022

Thank you to Dr. George Vilar and all that came out to support the ABCCMM inspection events. Many people volunteered and donated their time & facilities for others to participate in the inspection in AZ, CA and FL. Congratulations to all the Marchador Horses that were inspected as well. The USMMA does not require inspections to register Mangalarga Marchador horses - only parental verification using DNA. But many of our USMMA members also register with the ABCCMM where horses are inspected and measured against the MM breed standard.

June 2022

Congratulations to Connie Claire on her accomplishments in Mounted Archery. Nice job at your Event in FL and winning the grand championship in TN. Her Marchador partner is Da Vinci Do Summerwind, who she calls LEO. Connie recently added another young Marchador gelding Dragao Vista da Serra to her herd. Connie and her husband Doren are nationally ranked in the US. They own and operate Archer's Point in Dunellon, FL. This truly reminds us owners and members that the Mangalarga Marchador is truly a versatile breed in so many ways. Keep winning those ribbons and trophies!

June 2022

3 covers!

Horseman's News Cover

Congratulations to Rancho Linda Marchadors - Linda Holst & Daniel Pulliam on the 50th anniversary issue of Horseman's News publication. Batuque de Miami, US born Mangalarga Marchador stallion made the June cover! This perfect cover photo with the Brazilian flag and American flag, immediately conveys that Marchadors are a Brazilian breed here! The pdf file of the article is attached below. The article was written by Linda Holst to go with the photo and explains the registration relationship with ABCCMM and why these Brazilian inspections are important and undertaken by many North American breeders.

You people have done a fantastic Job representing the Mangalarga Marchador breed to so many others who might have not known about it in California or any other regions. Much continued success and keep on doing a great job on representing this fantastic breed to others

The Sound Advocate Cover

Another cover and an informative article that was created at the Antelope Island Endurance Ride in Utah. Nice publication written by Merri Melde highlighting Haras Vista Da Serra. In the article, Tia Nelson talks about her involvement of the breed an describes her experience in depth of how she came to acquire this amazing breed with Daryl Lee as her Barn Manager / Trainer The Vista da Serra Marchador horses performed well in the 50 mile ride on Saturday, and were 4th, 5th, & 6th out of 27 entered horses. The three in front of us were professional endurance riders. This was their very first endurance ride! So motivating! Tia, it's always nice to know others' experience and continued support and promoting the Mangalarga Marchador in other regions of the US. Keep up the good work! From The Coordinator, Jason Lambrose

I am passionate about this breed. Please encourage everyone you know who owns a Marchador to become a USMMA member, if you are not one already. Membership dues help to support our efforts to promote the Mangalarga Marchadors to many owners and breeders who take their time out to attend programs and get into publications that help get the word out about our wonderful breed.

I have an ambitious goal of publishing monthly, but it depends on YOU! Please submit photos, stories and articles to the USMMA or directly to me. mr.Lambrose@gmail.com
