“Expect to be impressed”
Offering strong genetics-based breeding services with our stallions and “future foals do Summerwind” with our mares. Imported and frozen semen from a dozen stallions offered; cooled semen from one. We breed and raise every future foal as if it was our own — they will always be part of our family. Temperament is our foundation, but we select for more. Summerwind horses have breathtaking beauty, strong conformation, fantastic movement and outstanding temperaments. All Summerwind foals are eligible for dual registration in the US and Brazil. .

I proudly breed Mangalarga Marchadors and am the owner of 15 horses...with 2 foals due in 2022. I plan to raise my offspring through their definitive ABCMM inspection (under saddle). My goal is to educate the public about the intelligence, beauty, and versatility of the breed while producing quality, registered horses.
