

The USMMA calendar is back by popular demand! Would you like your horse and ranch to be represented in our USMMA calendar? It is a lot of fun to see the different Marchadores throughout the USA and what people are doing with them. Action shots are really great to show how you are using/enjoying your horse. Babies of course, are always a favorite.

There are 12 pages of course, one for each month of the year and one cover spot. These make great promotional handouts and super Christmas gifts. It costs only \$100 per page of the month and \$200 for the cover spot ( first come basis). Along with this , you get one complimentary calendar.

There are some specific guidelines that need to be followed to join in this. Send your photo to : [silcher@montana.com](mailto:silcher@montana.com)
