\$250 Subsidy

It's a new year and thus new money is available! A member benefit - a subsidy is available for members who apply to offset the costs of the show, event or expo where the member will promote the Marchador breed on behalf of their farm, themselves as individuals and the USMMA. \$250 per show entry is available. On our website, look under Show/Event Subsidy. Or, follow this link for application form.

It is first-come, first serve until all the money is awarded. Anyone can apply.
