## President's Letter

As previously communicated, Rick Schatz has stepped down as President, so I am the 6th USMMA President with a remaining term of 2 years. I wish to acknowledge Rick's service to the USMMA and thank him for his service.

I am excited about our opportunities. Over the next two years I will be actively looking for ways the USMMA can help each and everyone of us in relation to the Mangalarga Marchador. Whether it be by finding creative ways to promote the Marchador for breeders in the North America or improving the registration process. I hope to touch base sometime in the next two years with each and everyone of you.

First on my agenda is to now fill an empty Board Member At Large position. We are actively calling a few people who have stepped up in the past, but the opportunity is open to all USMMA members. Please call me or email me if you have an interest.

The 2016 Membership Drive is kicking off, headed by Bill Dory, our newly elected Vice President. Congratulations Bill!

Bill is also looking into venues for a 2016 USMMA clinic and is the Chair for that event. Please contact Bill if you want to volunteer or have ideas for the clinic. [bill.dory@hotmail.com](mailto:bill.dory@hotmail.com)

Laurie Klassen's term on the USMMA Board is also up. She was a great asset as Secretary. Thank you Laurie! Alessandra Deerinck steps into that position. Welcome Alessandra!

## Show/Event Subsidy

\$250 grants! They have all been granted for 2015. However, the new budget year begins in 2016. Details coming shortly. Laurie Klassen remains the program administrator.

## Classified Ads

Log into the USMMA website to list your horses for sale, stallions at stud, tack trailers,whatever. Free to all members! In the past months, 3 Marchadors that were listed there have sold.

Or, send the photos and ad copy to [lynkkelley@me.com](mailto:lynkkelley@me.com) and we will post for on your behalf.

One of the highlights of the coming year promises to be the BreyerFest July 22-24 at the Kentucky Horse Park in Lexington KY. Their theme is Brazilian Carnival and the Marchador horse will be featured in a new Breyer model and also there live at the event.

Happy Thanksgiving! I hope you enjoy it riding or loving Marchador horses.

## Member News

From Rick Schatz, Flying Oaks Ranch

Photo is the 3 mares Ate Breve, Anabela and Eris.

France joins Canada as a country that has imported Marchador horses from Flying Oaks Ranch. Reported November 9, 2015: "Mangalarga Marchadors without Borders" has another historical event to announce. Flying Oaks Ranch has exported three Marchador mares to Emmanuel Goisbault's farm in Le Thoureil, France.

- "Flying Oaks Eris", yearling
- "Flying Oaks Anabela", 2 year old,
- "Marchwind Ate Breve" 10 year old, in foal to "Abaiba Real Fazenda Zouga"

I met Emmanuel last year in Brazil while touring Brazilian breeder's farms and at the MM 33rd Exposition. Earlier this year we met again in Germany at the 2015 Equitana. Emmanuel was interested in purchasing three Marchador mares if we could export them into Europe.

Flying Oaks Ranch has a very good working relationship with Frederiksborg Horse Farm in Yale, OK, owned by Hans Christensen. The facility is USDA certified to quarantine horses for export/import. The horses were transported by Hans to Houston airport under a USDA seal and loaded into a KLM container for the flight to Amsterdam. After clearance the horses were transported by truck to France arriving safely and in good health. Great news for all involved.

From Karen Livesay, Future Foal

Birth Announcement for Jedi-Knight do Summerwind, born October 11, 2015, a son of Isabelle do Great Lakes x Talisma Kafe. A pinto, like his sire! He's a great foal, healthy, friendly and smart. We couldn't be happier for him and new super mom Izzy. Jedi is reserved by Elizabeth and D.J. Sims of Desert Hills AZ.

From Alessandra Deerinck for Rancho de los Cielos:

R.I.P. My sweet friend Rio de los Cielos! Rancho de los Cielos (Jake Martinez and Theresa Longo) and I mourn the loss of Rio de los Cielos, 10 yr old bay Mangalarga Marchador stallion, son of Ninja de Sao Joaquim and Fiesta do Campo Real. He died October 11, 2015, from abdominal injuries and colic sustained from his trying to "rescue" mares that got loose on our ranch from their pasture.

Rio is survived by Aria de los Cielos (out of 1681 Marengo de Tosana), Bella Lu de los Cielos (out of 1676 Natuno de Tosana), and a chestnut mare born 3 yrs ago out of Insricao de Boa Fe (Hong Dynasty Marchadors). Rio has foals coming (confirmed) from Jaina do Passo Fino and Querida de los Cielos.

Rio was pure picada, like riding a magic carpet. But, more than anything else, he had integrity. He had a quiet and confident sense of self that became blazing charisma under saddle. He was an intelligent partner, a willing heart, a loyal companion, a beautifully made Mangalarga Marchador, a quintessential horse. We loved him dearly and we know he loved us in return. We share our loss with you because many knew him and more will know him through his children.

From Tia Nelson:

Correction to her horse list published in September:

1. Frevo da Camaq - stallion imported from Brazil
2. Ibiza da Boa Fe - mare, imported from Brazil
3. Folha da Calciolandia, mare, imported from Brazil
4. Vedete de Itajoana - mare, imported from Brazil
5. Annalisa Libertas - mare, imported in-utero
6. Cafundo Monalisa - mare, imported from Brazil
7. and her 2015 4 Seasons filly MonalisaSmile
8. Chico-Buraque de Lazy T
9. Xama de Lazy T
10. Bethania de Lazy T
11. Nazare-Pereira de Lazy T
12. Bethany de Vista de Serra, mare
13. and her new colt Phoenix de Vista de Serra.
